

Ilia Kudriavtsev

3D generalist, motion designer & editor

I solve business problems, not just push pixels.

EXPERIENCE

Freelance, self-employed

3D Generalist / Motion Designer / Editor DEC 2022 — NOW

- Full-cycle 3D and motion for clients: concept, modeling, 2D/3D animation, compositing, editing
- Deliver solo under tight deadlines; assemble small teams for larger projects
- Clients value the concept I bring and alternatives to the brief when it doesn't solve their problem

Production studio OVERLAP

Lead Motion Designer

FEB 2021 — DEC 2022

- Developed creative concepts and the production pipeline
- Split tasks with the producer, led freelancers and worked hands-on in the pipeline
- Set up how materials move between team members and introduced technical solutions
- Optimized post-production workflows: folder templates, unified file naming

Multi-brand company QUOKKA

Head of Content Production

OCT 2018 — SEP 2020

- Organized shoots end to end: found models, locations and photographers
- Ran the set: kept to the schedule and tracked deadlines for editors and photographers
- Produced content for a multi-brand clothing and accessories company
- Served mid-size and large businesses, major festivals and forums

Production studio APPLAUSE

Videographer → Lead Videographer MAR 2016 — FEB 2018

- Ran projects end to end as lead, from planning to delivery
- Managed the studio's equipment: inventory, kits and maintenance
- Trained and onboarded new team members
- Shot, edited, did post-production and 2D motion graphics for client projects
